DO THIS

MORNING TIME

Ask your preteen what their favorite song is in the church right now and play it in the house to get pumped for the day. As you say goodbye, say this, "Don't give up today! Keep going because God is with you."

DRIVE TIME

While in the car tell your preteen to avoid using their technology device and do something else. Tell them that everytime they feel like reaching for their phone, to pray. Taking away something we rely on so much can help us put our focus on Jesus. Challenge them to do it longer than a car ride the next time.

MEAL TIME

Q & A for kids: Would you rather get a no-homework pass, or a no-chore pass? Why?  
Q & A for parents: What is the hardest thing you've ever accomplished? How did you feel when it was done?

BED TIME

No matter how many friends or family you have, there are times you'll feel alone. Truth is, no matter how alone you feel, God is always with you. Even though you may not see Him, He offers you the power of His Holy Spirit any time you ask. Because God is with you, you can keep going! Pray that God will give you the power of His Holy Spirit to guide and comfort you in those moments you feel alone.
