CHOOSING A LIFE THAT MATTERS: A STUDY OF MOSES

Where do you find yourself as we head into the new year? Do you look with excitement at the possibilities? Or does your daily existence feel like it's crumbling apart? Whatever your current season, the Old Testament leader and prophet, Moses, provides perspective for the ups and downs of our own lives. He faced some tough choices—Moses could have ignored the burning bush, stayed in the desert, or given up and said, "I'm done with these fickle people." His struggle was real. What was it about Moses that he kept doing the next right thing?

We find his story primarily in the book of Exodus. God called him to lead a nation out of slavery. That is an extraordinary life, but the truth is, so is yours! What is it that God is calling you to do? Do you need to obey through fear like Moses? Do you desire the life God created you for? Then join us this spring as we journey alongside Moses and learn from his choices in a 10-week character study, *Choosing A Life That Matters*.
