CCEs (formerly called 'short-term mission trips') are ways for you to learn from ministry partners serving in different cultures. These student missions learning teams help you step outside of your routine to learn and serve alongside one another while building friendships through service. Is this your year to take a faith-sized, cross-cultural risk?

All participants will complete an application and are required to attend the 2-day Urban Training Retreat: TBA.

Boston Project July 7-12

current 6th-8th grade \$725

This team will join in the work of Grace Chapel partner, The Boston Project Ministries. Located in the Talbot-Norfolk Triangle neighborhood in Dorchester, MA, BP engages neighbors and volunteers to build and nurture strong communities, characterized by God's shalom.

This team will serve by contributing to the community development efforts of BP through yard work, painting, organizing, and work with kids in the neighborhood park. Students who apply should have appropriate interpersonal skills for interacting with neighbors in their homes, and be comfortable performing physical tasks outdoors.

Requirements: attend Urban Training Retreat, attend monthly training meetings from Jan 2019-June 2019.

Philadelphia July 14-20

current 8th-12th grade \$675

The Philadelphia Project has been working for 15 years to serve Philly, specifically in the areas of local homeowner support and care for children and families in the Germantown neighborhood. We will be partnering with TPP and a local church to run a VBS kids' camp, assist with mercy ministry, and work on ongoing home repair projects. This CCE is open to all incoming and graduating high school students.

Requirements: attend Urban Training Retreat, attend monthly training meetings from Jan 2019-June 2019.
