

WHAT IS A CCLE?

CCLEs (formerly called 'short term mission trips') are ways for you to learn from ministry partners serving in different cultures. These student missions learning teams will help you step outside your routine to learn from and serve alongside one another while building friendships through service. Is this your year to take a faithsized, cross-cultural risk?

All participants will complete an application process and will be required to attend an overnight CCLE Team Retreat: April 4-5.

We believe that middle & high school students have the capacity to change the world, and it starts with intentional experiences that allow God to broaden our vision and change our hearts.

BOSTON PROJECT

This team will join Boston Project Ministries. Located in Dorchester, MA, BPM engages neighbors and volunteers to build and nurture strong communities characterized by God's shalom.

This team will serve by contributing to the community development efforts of BP through yard work, painting, food packaging, and work with kids in the neighborhood park.

Students who apply should have appropriate interpersonal skills for interacting with neighbors in their homes and be comfortable performing physical tasks outdoors.

HIGH SCHOOL CCLE

PHILLY PROJECT

July 19-25, 2020

CURRENT 9TH-12TH GRADERS, \$815

Philadelphia Project is an amazing organization that works with local churches and ministry leaders who are committed to the community long term. This allows our team to come alongside as learners and not as teachers. The students will be able to witness what God is doing throughout the global Church.

The teams will have opportunities to run kids camps, mercy ministries, and construction ministries.

We have been partnering with the Philly Project for the past several years and we want to continue to build this partnership!
