

WHAT IS A CCLE?

CCLEs (formerly called 'short term mission trips') are ways for you to learn from ministry partners serving in different cultures. These student missions learning teams will help you step outside your routine to learn from and serve alongside one another while building friendships through service. Is this your year to take a faithsized, cross-cultural risk?

All participants will complete an application process and will be required to attend an overnight CCLE Team Retreat: April 4-5.

We believe that middle & high school students have the capacity to change the world, and it starts with intentional experiences that allow God to broaden our vision and change our hearts.
